

# Login

To login to the Terminology Service, you need to have login credentials provided to you after you requested for an account and approved.

Once you have acquired the login credentials:

1. Navigate to the homepage
2. Click the LOGIN button on the top right-hand corner as as shown below

The screenshot shows the homepage of the Kenya National Health Terminology Services. At the top, there is a navigation bar with the Ministry of Health logo and links for About, Domains, Organisations, Announcements, and Resources. A red box highlights the LOGIN button in the top right corner, with a red arrow pointing to it from the text "Click here". Below the navigation bar is a blue header with the title "Kenya National Health Terminology Services" and a description: "This is a platform which provides real-time electronic access to terminological resources and straightforward integration with independent software platforms." A search bar is located below the header. The main content area features a grid of concept domains, each with an icon, title, source, and number of concepts. The domains include: Classification of Diseases (ICD-11, 35,766), Health Products and Technologies (HPT) (PPB, 4,503), Diagnostic Services (Lab and Imaging) (NPHL, 267), Health Procedures (ICHI, 13,950), Billing & eClaims Management, Human Resources for Health (HRH) (HRH, 143), Health Infrastructure (DHI, 216), Supply Chain Management, and Community Health (CHC, 25). There is also a "View all domains" link. At the bottom, there is a blue footer with a "Can't find what you're looking for?" message and a "SUBMIT REQUEST" button. The footer also includes links for About, Resources, Knowledge base, and Help & guides.

Clicking on the LOGIN button will redirect you to the homepage but now as an authenticated user who can do more than just viewing concepts, e.g downloading concepts and creating your own collection of concepts
